Make A Friend

See the boy over by the door who keeps looking this way? He sure would like to meet you. He's lonely. Smile at him.

Lots of kids walk the halls by themselves because they don't know anyone. Loneliness hurts. Make today a little nicer. Make a friend.

Are You a Satanist?

Satanism is no longer just a term for "devil worship", but it has recently become a religion. It was started by Dr. Anton Zandor LaVey, who has converted his home into the first church of Satan. Dr. LaVey has also written the 'Satanic Bible', in which he explains all the concepts of his religion along with step-by-step instructions for a Satanic ritual.
